WHY PROFESSIONALS CHOOSE PRO-TECH:

- Structural steel channel is used to construct the moldboard, providing extreme durability
- Fully welded seams eliminate corrosion from the inside out
- Triangular gusset side supports provide additional reinforcement when pushing large piles
- All of our snow plows and snow pushers are designed for ease-of-use
- Customer service: 99% of customers rate their experience with Pro-Tech as "excellent"
- 10 year warranty: Many customers are still using their Pro-Tech plows 20 years later
- Dealer network: Our large stocking dealer network has parts and products when you need them
- Proven Value: Pro-Tech has been the leader in containment snow plows for over 25 years
